

## Asta 120 (120W)

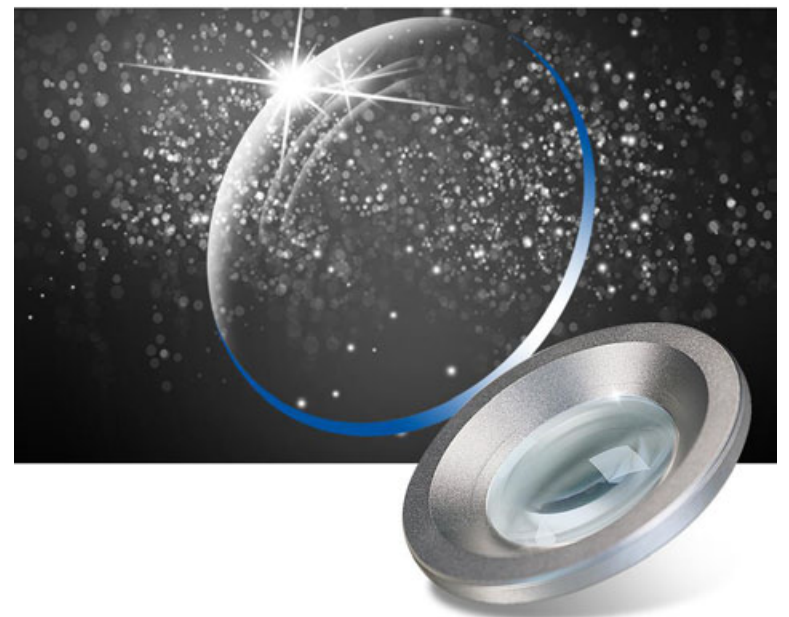

智能无线多联控制，小巧轻盈，方形鱼缸的最佳选择！

Asta 120 is built with high power COB, evenly distributed light, it's the best choice for cube tank!

## Features

- 100% modular design, low cost maintenance.
- Highly efficient and energy-saving control
- Built with 120w COB chips with strong penetrability
- 4 adjustable channels with timer and dimmer
- Moonlight simulation basis on lunar cycle
- Light weight and small size, easy installation

## Lumini Smart Control System

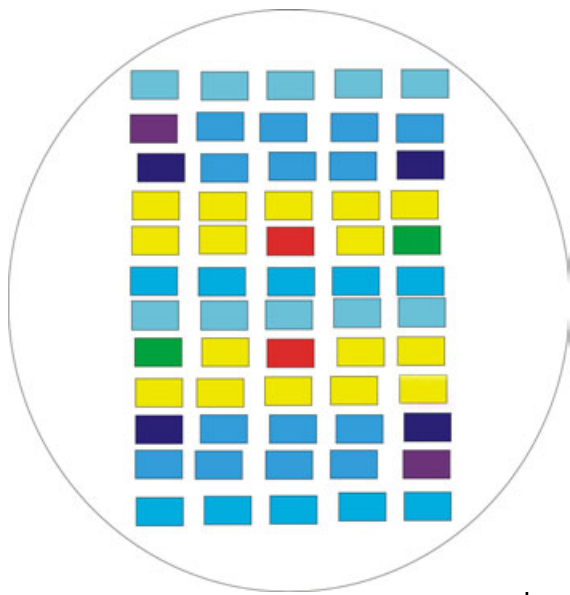

PMW & DMX Tech

## Wifi Control

We use the newest and most popular technology DMX and PWM controls. 4 programmable channels with dimmer and timer. With built-in 2.4G module, multiple lamps can be daisy chained together wirelessly, and controlled by one wifi controller.

## Main Specification

Actual power : 120 watts  
 0.545 amps @ 220V; 1.09amps @ 110V  
 Driver: Power adapter  
 CE & ROHS  
**LED Ratio:** 60pcs LEDs  
 16 x Cool White 3W Bridgelux LEDs  
 20 x Blue 3W SemiLEDs  
 14 x Royal Blue 3W SemiLEDs  
 2 x Red 3W Epistar LEDs  
 2 x UV LEDs run at 3W Edison  
 2 x Green LEDs run at 3W Edison  
 4 x light purple LEDs

### 四通道调光旋钮

Two manual knobs to adjust the intensity in 4 channels separately

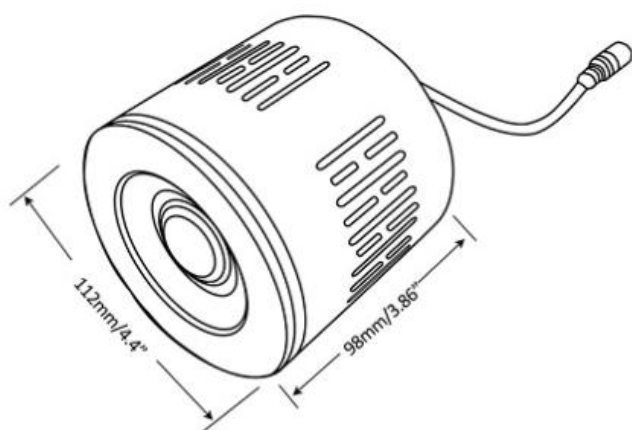

### PWM智能风扇

We apply PWM tech to control fan's speed, silent and cool operation, self-monitoring function

## 尺寸/Size

长 (L): 3.86 inches/98mm  
 直径(D): 4.4 inches/112mm  
 重量(W): 1.98 pounds/0.9kg

## 适合鱼缸/Coverage

20"~24" cube tank  
 50~60cm 的方缸
